Hide and Seek

An old family favourite!

Here's how to play:

1. Choose someone to be the seeker and they must close their eyes and count to 10 while everybody else hides... no peeking!
2. When they have finished counting they have to shout 'coming... ready or not'.
3. The seeker needs to find where everyone else has hidden.
4. The last person to be found is the seeker next time!
5. Add a twist by getting those found to hold hands and join the search for the others – so you end up with a chain of seekers!

GAME 3

Happy Families

It's no secret that we love roleplay games and little ones just love to play happy families.

Here's how to play:

1. Each child takes a different role in the family.
2. They act that role and undertake daily chores mimicking what they see their mummies, daddies, aunts, uncles and grandparents do.
3. Make it fun by asking them to make you a cup of tea, make you a sandwich or send them to the supermarket.
4. It's an opportunity to get creative with their Little Tikes toys. Encourage them to play with their Cozy Coupes, play houses or kitchens. They'll love it!

GAME 4

What's the Time Mr Wolf?

It's a favourite that we all loved to play!
It's great for teaching little ones how to count.

Here's how to play:

1. Choose someone to be Mr Wolf and get them to stand up against a wall, facing away from the rest of the children.
2. Get the other children to line up a few metres way.
3. Ask everyone to shout 'What's the time Mr Wolf?'
4. Mr Wolf will then tell them the time (1 o'clock, 2 o'clock, 3 o'clock etc.) and the children will need to move that many steps forward.
5. Repeat until Mr Wolf decides it's 'dinner time' and he will chase the other children who have to reach their starting point to be safe.
6. Whoever is caught first is the next Mr Wolf!

Drive Time

Our Cozy Coupe is a classic toy in rain or shine. Here's a couple of options for you to play and make it super fun for your little ones:

Indoor – Drive In Movie

When the weather outside is dreary and grey bring the fun indoors and let your little ones watch their favourite films from their favourite toy! Simply line-up the cars in front of the TV, put on a film and keep the training cup drinks and healthy snacks coming.

Outdoor – On Your Marks

1. Set-up a little Cozy Coupe race track for your little ones.
2. Line-up their Cozy Coupes in a row at the starter position.
3. Make sure there's drinks and snacks at the finish line.
4. Ready, set... GO! Get your little ones to race all the way to the end.
5. Cheer them on along the way.
6. At the end of the race everyone's a winner with a drink and a yummy snack!
7. You can also create a 'Single Player' version, by setting up a mini race track for them to drive through.
